

Franki vom sparta-Gr

Franki vom sparta-Gr Zbr; 1205/08Conan KS Seehof x Akazie KS vom Ahrenfeld 2 X Derby 1a, all 4s 4h nose (Suchensieger) , HZP 180, Solms 1, VBR, BTR, HN, FW: V 2, VDH-CAC Res, HD A2, Ahnentafel [View in Picture here](#)

Franki is the perfect combination of desire to hunt and willingness to please; he has excellent hunting drive in the field, he is very strong in water with excellent nose. That same excellent work ethic has come from many generations in his pedigree starting with his mother KS Akazie, and the grandfathers' KS Lebeau vom Hege Haus and Quickstep vom Hege Haus, Frankie is carrying over to all aspects of his performance in testing, and hunting, Frankie is 100% Hege Haus line breed Male 24 months conformation Survey: A very calm and stunningly structured medium size (25 ½in- 65cm) male, with very good balance and bone strength, very nice male head, very nice fore chest, excellent top and bottom lines, excellent front and rear angulations, excellent movement coming and going, med eyes, perfect bite, and very calm in the kennel, house, around people, kids, and other dogs, with excellent mental stability. Frankie will be available for breeding in US to very select approved DK females upon completion of few VGP's and arrival in NOV 2010For more information about Frankie contact: Boutsikakis Manny (01) - 847 48 94 122 email info@dk-vomsparta.com
